CAREER OBJECTIVE

AI & Machine Learning engineering student with strong interest in building **real-world intelligent systems**. Skilled in **machine learning, data analytics, and web development**. Seeking opportunities to apply **AI/ML, data analysis, and programming skills** to solve practical problems and contribute to innovative technology solutions.

EDUCATION

B.Tech – Computer Science Engineering (AI & ML)

Deogiri Institute of Engineering and Management Studies

Chh. Sambhajinagar, India

2023 – 2027

TECHNICAL SKILLS

Programming	Python, Java , C
AI/ML	Machine Learning, Data Preprocessing, Feature Extraction, Pattern Analysis
Data Analytics	Pandas, NumPy, Matplotlib, Data Visualization
Web Dev	HTML, CSS, JavaScript, PHP
IoT & Embedded	ESP32, Arduino, Sensors
Tools	GitHub, MySQL
Other	Analytical Thinking, Problem Solving

PROJECTS

1. AttendEase – Smart Attendance Management System

- Developed a **web-based attendance system** using HTML, CSS, JavaScript, and PHP.
- Automated **attendance tracking** and improved data accessibility and efficiency.

2. Smart Security System — ESP32-CAM + Machine Learning

- Designed a **real-time surveillance and security system** using an ESP32 webcam integrated with Machine Learning.
- Trained a **YOLO object detection model** on a labeled dataset to identify threats and implemented instant mobile alert.

3. Data Analytics Dashboard

- Created a **Python-based dashboard** for data analysis and visualization.
- Generated **insights and trends** using charts and data visualization.

ACHIEVEMENTS & ACTIVITIES

- Conducted a **technical workshop on Arduino** and sensor-based projects for peers.
- Volunteer, **Entrepreneurship Development Cell (EDC)** — organized innovation events.
- Participated in **AI/ML, IoT projects, and hackathons (SIH)**.

CERTIFICATIONS

- **Machine Learning with Python** – IBM (Cognitive Class) – *Issued Mar 2026*
- **Fundamentals of Machine Learning & Artificial Intelligence** – AWS – *Issued Mar 2026*
- **Data Analytics with ChatGPT & Power BI** – Aspire For Her – *Issued Nov 2025*
